

Flow and Energy Measurement

- Insertion turbine flow meter
- Electromagnetic flow meters
- Ultrasonic flow meters
- BTU / Energy Meters
- Steam Meters
- Mass Flow gas flow meters

Air Flow Measurement & Building Pressure

- Thermal dispersion air flow meters
- Pitot tube differential air flow meters
- Outdoor Air differential pressure flow meters
- Building pressure meters

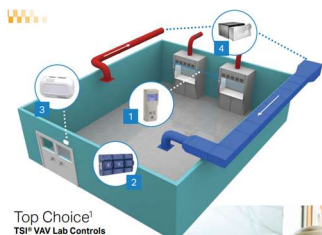

Industrial Flow Measurement

- Gear Meters
- Variable Area Flow Meters
- Coriolis Mass Flow Meters
- Paddle Wheel Flow Meters
- Turbine Flow Meters
- Helical Flow Meters
- Rotary Piston Flow Meters
- Thermal Mass Flow Meters
- Turbidity Sensors

Critical Environment Monitor and Control

- Hospital room pressure monitors and controls
- Fume hood monitor and control
- Laboratory space room pressure, flow & temperature control

Dampers and Louver

- Control damper
- Life safety dampers – Fire, Smoke & Fire/Smoke
- Louvers
- Rooftop screens
- Access doors – Unit, Plenum, Duct

Gas Detection Systems

- Parking Garges
- Chillers & Cold Storage
- Pools & Arenas
- Wineries & Breweries
- Schoos & Hospitals
